FOREWORD

YOUR RESPONSIBILITY

Congratulations, Seniors, for all the progress you have made todate. You have come a long way and it has not always been easy traveling. You have carried a great responsibility and at times it has grown heavy. Fortunately you have recognized that responsibility and have carried on in a manner well befitting Seniors of Jackson Township High School. You are the survivors of a larger class that entered here four years ago. Those that fell by the wayside failed to recognize their responsibility to themselves, to their community, and to the whole of society.

It is a fact that we grow to physical maturity merely by remaining alive. We do not mature intellectually, morally, or spiritually so easily. We must all assume personal responsibility for this greater growth. Your parents and teachers are your helpers in meeting and bearing this responsibility, but you are the master of your fate. You are the decision-makers. We oldsters can only look on and be on hand to lend counsel and assist in any way in which we are prepared. It has been a real privilege to be of service to you. We have seen and helped you develop those qualities that have put you where you are. But your journey is not complete. You have done well and traveled far, but the road is still long, rough, and steep. Keep your steps firm and your heads up. We shall always be glad to extend to you a helping hand and you shall always have our sincere best wishes.

Mr. Alvin D. Baylor

DEDICATION

THE CLASS OF 1952 DEDICATES THIS ANNUAL

HERMAN B WELLS

Mr. Wells was born in Jamestown, Indiana, on June 7, 1902, and after completing grade school here, he continued his education at the Lebanon High School, from which he graduated in 1920. He entered the University of Illinois that same year, but transferred to Indiana University the following year, where he earned the degree of Bachelor of Science in Commerce in 1924, and the Master of Arts degree in Economics in 1927. Aspiring to higher ambitions, he continued his graduate work at the University of Wisconsin for completion of the Doctor's degree.

Mr. Wells returned to Indiana University as assistant professor in economics in 1930, but was granted a leave of absence in 1933 to become secretary of the Commission for Financial Institutions, in which capacity he was instrumental in formulating the banking laws as we have them today in Indiana. This work completed, he was appointed Supervisor of the division of banks and trust companies in the State Department of Financial Institutions.

In May of 1935 he was appointed dean of the Indiana University School of Business Administration.

Then in 1937, at the age of 35, Mr. Wells was appointed president of Indiana University, to become the youngest president of any state university in the nation.

Mr. Wells was a member of a mission that visited all but two countries in South America, covering more than twenty thousand miles.

Again in 1946 he was granted a leave of absence to go to Greece as a member of the Allied Mission for the Observation of the Greek Elections.

In 1948 he was granted a leave of absence to go to Germany as adviser on cultural affairs to the military government in the U. S. Zone.

Mr. Wells is also a member of the Federal Home Loan Bank board for this district, in addition to numerous other connections.

Although Mr. Wells is quite a busy man, he retains a very close contact with his friends in and around Jamestown, where he returns almost regularly each month to sit as Chairman of the Board of Citizens State Bank, before going to his farms just north of the town.

ADMINISTRATION

TRUSTEE AND ADVISORY BOARD

Left to right—Mr. Kedrick Newton, Mr. Walter Pickering, Mr. John Spohr, Trustee, and Mr. Frank Clampitt (standing).

"If we knew the cares and trials
Knew the effort all in vain,
And the bitter disappointment,
Understood the loss and gain
Would we help where now we hinder,
Would we pity where we blame?
Could we but draw back the curtains
That surround each other's lives,
See the naked heart and spirit
Know the heartache for the good,
We would love each other better
If we only understood."

My Advisory Board and I have served the people of Jackson Township the first year of our term, and the above lines pretty well sum up our sentiments.

We have had many cares and trials, and it looked as our efforts were in vain, but we feel that they were not, and our disappointments turned into gains.

We wish to thank the people of Jackson Township for both their praises, and criticisms. We are glad for differences of opinions, because we both benefit from them.

Our schools are on the way up, more and more toward first class. We are blessed with a great group of well behaved children, a group of good sports. We have a group of fine teachers that are working hard toward a first class school.

We have a Township to be proud of, so let us all pull together, for better and stronger ties within.

Let us never forget, "People who throw mud always have dirty hands."

Mr. John E. Spohr, Trustee.

THE FIRST FLIGHT

The first flight of school steps toward a successful direction of human equipment and conduct is the years that are afforded your children in the Jackson Township Elementary School. These experiences provide an important formulating foundation for later stages of educational exploration. Such experiences, when emotionally and intellectually accepted, are learned to the degree that they are lived.

The Jackson Township Elementary School is a community institution. What it is and what it does are determined by the people of this community. Through legally constituted channels of government they construct and equip building, select and employ teachers, fix the length of the school term, and decide the age at which children enter school and the age at which free education ceases. Bonds, budgets, salary scales, and other progressive movements are educational elements that are responsive to a community's action. A school is no better or no worse than the people make it. Of all the factors which influence a community's educational program none is more important than the vision and attitudes of the people themselves.

We, the faculty of the Jackson Township Elementary School, are agreed that our function in teaching is to guide the experiences and the educative growth of children in the direction of the accepted purpose of elementary education. We recognize that this community expects for their children the perpetuation of the American Way of Life, the development of new ways of social behavior, fashioning a creative role for each individual, a generous and lenient cooperation with other developmental factors, and the responsibility for those aspects of child growth and development that may be neglected. We, too, are proud of our share in the beliefs and concerns of our society for the preservation of the general welfare, the civil liberty, the consent of the governed; the appeal to reason, and the pursuit of happiness for tomorrow's adults.

As elementary teachers, we are glad to be a part of an educational program where children may live as children. We are happy to provide, wherever possible, those experiences whereby the children may find satisfaction for their needs and interests. We enjoy watching children grow strong. We are proud to serve friendly people who are concerned about their children and their children's schools.

PROPHECY

Washington D. C.
July 1, 1962

Dear Mr. Broshar:

As I was working as telephone operator in the White House the other day, I heard the voice of one of my former school-mates. I was phoning the Stork Club in New York City for dinner reservations and Carolyn Patterson, who is working there, took care of them for me.

Junior Scott, who is a successful congressman, is here and I visit with him and his wife often.

I saw Keith Brindle on television the other night. He really is good in his comedy act.

Rose Mangus lives near me. She is very happy with her husband and three sons.

Bill Mercer and Lowell Kincaid were fortunate to get to teach in the new "Wells" School in Jackson Township.

I had a call from Etta Pearl McHargue, who is with the Metropolitan Opera. She expects to marry soon.

Gene Farrow is the "Jim Crow" of Washington, D. C. I call him every morning for the weather report. If you remember, in school, he was always a little foggy.

Phillip Hiland and Jim Shue are working for a taxi company here. They married twin sisters.

I had a long chat with Nancy Benge. Amelia Stambaugh is living with her and they both are nurses in General Hospital.

Lyell Huckstep runs a pet shop in Norfolk, Virginia.

Janet Reed and Sonnie Winters have been married three years. They are Torch Singers on Television.

Lowell Spaulding and Chelsea Jones are happily married and are living in Hollywood, California.

Denzel Branstetter is the world's champion wrestler. He learned the "art" in Glasgow, Kentucky.

Johnnie Proffitt is a private detective in Washington, D. C.

I would like to hear from you, Mr. Broshar. My reminiscing must come to an end.

Yours,

Rhea Louise Williams.

CLASS WILL

We, the Seniors of Jackson Township High School, City of Jamestown, State of Indiana, County of Boone, having come to the last hour of our high school career, do hereby will our earthly and personal possessions as follows:

To Jackson Township High School, we will our picture to be hung in the hall.

I, Chick Hiland, will my shy ways to Barney Scott.

I, Rhea Williams, will my ability to get along with Lyell Huckstep to Kay Butler.

I, Sonnie Winters, will my mischievous tricks to Rudy Hiland.

I, Etta Pearl McHargue, will my smile to Cynthia Kincaid.

I, Jim Shue, will my galloping dominos to Mr. Broshar.

I, Rose Mangus, will my slimness to Nancy Dunbar.

I, Janet Reed, will my boy friends to Jackie Ross, except for the red headed ones.

I, Carolyn Patterson, will my ability to type perfect stencils to any Journalism student next year.

I, Amelia Stambaugh, will my ability to keep a straight face to Virginia Stephens.

I, Junior Scott, will my ability to stay in class to Bill Ashley.

I, Lyell Huckstep, will my alarm clock which never rings to Mr. Kelshaw.

I, Bill Mercer, will my ability to play basketball to Mike Kivett.

I, Lowell Spaulding, will my Ford to John Demaree.

I, Johnnie Proffitt, will my ability to be a soda jerk to anyone who wants it.

I, Lowell Kincaid, will my ability to get a girl friend to Bob Hoskins.

I, Keith Brindle, will my ability to filibuster in Government Class to anyone who needs it.

CLASS POEM OF '52

Junior Scott is quite a guy,
He'd never think to tease or lie,
He's really tops on the basketball team,
And the senior president with plenty of steam.

Our Nancy is a very fine lass,
And always at the head of the class.
She never seems to have much to say,
But maybe she'll say "I do" someday.

Louise is really better known as "Freadie",
And somedays she gets a little greedy,
Especially when she cuts a stencil,
Or puts up with Lyell who isn't very gentle.

Speaking of Lyell—he's quite a boy.
He always seems to be bubbling with joy,
Unless Mrs. Lane is in his sight,
And then there's usually a little fight.

Our class's "red head" is quite a girl.
And Etta always keeps her in a whirl
Chelsea really is O. K.
And hopes to graduate soon, someday.

Gene is known quite well by C-ville,
And inclined to be fast when under the wheel.
He really is a very nice lad,
And liked real well by his mother and dad.

Although she is a little tall and slim,
She always looks neat and wears a grin.
Janet is cheer leader for the team this year,
And doesn't hesitate to call a boy "dear."

Denzel is the height of the class,
And his driving is a little fast.
He likes to tease and pick on the girls,
And always has a teacher in a whirl.

Although she's only 5'2",
Amelia is never in a stew.
Her only ambition is to be,
A very good wife for a certain "He."

He's rather bashful and a little shy,
But Chick really is a very nice guy.
He likes to play ball and is a very good sport,
And on any night he'd be a good escort.

Jim has always been the fun of the class,
And still is looking for that certain lass.
He doesn't care much for studies and teachers,
But really enjoys to see double features.

Lowell Kincaid is not very quiet,
And when around girls he soon starts a riot.
The teachers seem to think he's alright,
But when he goes out he's really a fright.

Rose is tiny and very short.
Devon would rather have her to court.
She's rather quiet and very prim,
But she always has a great big grin.

Bill Mercer has always been a little bashful,
Before changing his hair style, which he is now thankful.
But Bill, like all boys, can really be a sight,
Although we have never caught him in a fight.

Keith Brindle and Mr. Broshar don't always see alike,
But they never have had a fight.
Keith really likes to play basketball,
But he thinks more of Margaret, who caused him to fall.

Etta Pearl McHargue's nickname is "Dolly",
And she always seems to be very jolly.
She's set her trap with lots of bait,
To get the boy she wants for her mate.

Lowell Edward Spaulding really deserves a reward,
For keeping in one piece that so called "Ford."
He really should be honored in another way,
In the way he controls his temper every day.

Sonnie is short and used to be shy,
But now he has changed to a different guy.
He really is still like the rest of the boys,
And always ready to play and make plenty of noise.

Johnnie is small for a boy of his age,
And he always has Mrs. Coons in a rage.
He doesn't care much for things called "books",
And he still is looking for a very good cook.

Carolyn has found her certain he,
And to his heart she's found the key.
She's lots of fun and rather short,
And Donald thinks she's just right to court.

ACTIVITIES

The Junior Class has had a very busy and successful year. Early in September they met and chose sponsors and officers as follows: Mrs. Frances Coons and Mr. Darrell Everhart as sponsors. Officers were: President, Barney Scott; Secretary, Dorothy Jones; and Treasurer, Betty Jo Steward.

Immediately they started their magazine campaign which was highly successful.

They presented the three-act comedy, "Saved by the Belle", on November 13 to a large and appreciative audience.

On November 29, they attended the Hollywood Ice Review. This was enjoyed by all those who attended.

In December, they had their turkey dinner and exchanged gifts. The losing team in the magazine campaign furnished all the food except the turkey which they won by selling so many magazines.

Also in December, the rewards for selling the most magazines were given. An "Oscar" was won by Leslie Ebaugh for selling over $100 in magazines. Several pens were given and also pen and pencil sets.

A three-day trip to Detroit and Windsor, Canada, was enjoyed by the class, with the Seniors as their guests, on April 10, 11, and 12. This brought a pleasant climax to an eventful year.

A drastic drop in the class enrollment has occurred since September, 1951. At the beginning of school there were twenty-seven in the class and at the present there are twenty-one. Sherrill Fitzpatrick transferred to Broad Ripple; Ruth Mullen transferred to Dover; Jim Cram, John Henry, and Duane Gray left school; and Ellouise Pepple was married in January.

The Freshman Class had a skating party October 17, 1951. It was held at the Frankfort Skating Rink.

They also had a paper drive February 16, 1952.

March 21, they sponsored a Carnival.

They set the date of the 26th of April for a party at Turkey Run, with the rain date being May 3.

They ordered their class sweaters the last of school and will receive them the first of next year.

I am not an advocate for frequent changes in laws and constitutions. But laws and institutions must go hand in hand with the progress of the human mind. As that becomes more developed, more enlightened, as new discoveries are made, new truths discovered and manners and opinions change, with the change of circumstances, institutions must advance also to keep pace with the times. We might as well require a man to wear still the coat which fitted him when a boy as civilized society to remain ever under the regime of their barbarous ancestors.—Thomas Jefferson.

BAND

The band has had a very successful year under the direction of Mr. Douglas Kelshaw. Nineteen members registered at the beginning of the year. And with the return of some older members, the ranks have grown to twenty-five.

A summer concert series is being planned and it is hoped that students from the grade school music department who will be in Junior High School next year will be able to take advantage of the experience to be gained with this performing group.

A short program was presented at a gathering of prospective band students and their parents early in the year. Later a formal "Pops" concert was held, combining the services of the band and girls' chorus. With the majority of the home basketball games being held before Christmas, the band was kept busy preparing new music to be performed. During that period the band appeared in public on the average of once a week.

With the beginning of the new semester, work began on program numbers for an assembly program at the grade school in February, a P. T. A. program in March, and the County Music Festival also held in March at Lebanon.

Some of the older members have been learning to conduct. And a few of the better ones tried their ability at some of the home games and found much success in doing so.

The remainder of the year was spent in reading new materials to be used during the summer.

HIGH SCHOOL CHORUS

The High School Chorus appeared in joint concert with the band at the second P. T. A. meeting of the year. They were a very attractive group dressed in black and white for the occasion. A small group made a Sunday afternoon appearance at the Homecoming held at the Old Union Church in October.

The Junior High School chorus, a member group of the High School Chorus, sang for an assembly program commemorating Thanksgiving. This group also planned a short Christmas play written and produced by Junior High students. But due to weather conditions, school was not in session the week before Christmas and the program was not presented.

The presentation of the Cantata "Ring Ye Glad Voices" and Fred Waring's arrangement of " 'Twas the Night Before Christmas" was presented in mid-December. Due to the late arrival of some numbers, it was necessary to shorten the program. Even so, the program was effectively presented by the young ladies in their formal attire.

When it appeared at the January P. T. A., the chorus gave a preliminary hearing to some of the music to be used in the County Music Festival. This group, with an additional twenty boys, prepared six numbers which were sung by a mass chorus from the high schools in the County Music Festival held at Lebanon in March. The girls made their final appearance of the year at the baccalaureate services held for the graduating Seniors of Jackson High School.

The chorus is directed by Mr. Douglas Kelshaw with Janet Reed and Nora Underwood as pianists.

SUNSHINE SOCIETY

The 1951-52 year of Sunshine has followed the plan of previous years.

In the initiation twenty-two girls took the SSS pledge in the Christian Church at Jamestown. Ideal ladies were chosen in October. The Daughter and Dad Chili Supper was held in November. December was a busy time. Four boxes of clothes, toys, and candy were sent to Germany. Toys were also given to twenty-five children in the Township. The girls had planned to send fruit to shut-ins but the weather prevented this.

The SSS-Hi-Y Mixer had to be postponed, too, until January 29.

The Riley Fund was raised by passing the blanket at the North Salem game and by honorary membership cards. A total of $62.75 was raised. On February 19, the Jackson Jive was held.

March 12 was the birthday for all the Sunshine girls. April 17 was the Annual Sunshine banquet for the ladies and the mothers in the form of a style show.

The greatest achievement, probably, was the organization of the eighth grade girls into a Sun Ray Club with Patsy McCabe as student. sponsor.

The officers of Sunshine are: Nancy Benge, President; Sandra Price Vice-President: Jackie Ross. Treasurer; Juanita McHargue, Recording Secretary; Shirley Williams, Corresponding Secretary: Mrs. Lane Sponsor.

Counsel Members who were elected at the first of the year are: Janet Reed and Louise Williams, Seniors; Eileen Ragsdale and Virginia Stephens, Juniors; Connie Coons and Patricia Smith, Sophomores; Leanna Ebaugh and Patricia Kincaid, Freshmen.

JACKSON TOWNSHIP P. T. A.

The problems of childhood are acute in this period of worldwide crisis and emergency. Serving shoulder to shoulder with millions of other members, you can help to make a strong, relentless, and successful attack on all factors that tend to destroy children's happiness and security.

It is easier to teach by example than by precept. Therefore it is a good idea to let the boys and girls in your neighborhood see you working actively in the P. T. A.

The P. T. A. needs you because it needs your ideas, your interest, your zest, your strength, your support, and your cooperation. The P. T. A. needs you whether you're a mother, a father, a teacher or any other civic-minded adult.

You are needed to help raise the standard of mental, emotional, and spiritual health.

Take an active part in doing something practical and effective about juvenile delinquency—one of the most urgent child welfare problems facing America today.

This is an invitation to you from the President of our local P. T. A. to join our P. T. A. and help participate fully in its nationwide program of work.

Mrs. LaVerne Owens

JACKSON TOWNSHIP MOTHERS' CLUB

The Mothers' Club was first organized in February, 1946, with the name of the Advance Mothers' Club. The first project was a hot lunch program.

When the Jamestown and Advance schools were combined, the name was changed to the Jackson Township Mothers' Club.

The purpose of the club is to support and foster interest in the school and community.

Membership is open to all mothers in the township and to any woman who has an interest in the schools and community. The club meets the first Monday of every month in the elementary school.

The main interest of the club is equipping and sponsoring the lunch room at the elementary school.

Past presidents are: Mrs. Pearl Bowman, Mrs. John Coons, Mrs. William Harry, Mrs. Richard Batts, Mrs. Clarence Price, Mrs. Leslie Allen, and Mrs. Buford Ebaugh.

Your Kiger Representative, Dick Kiger

JOKES

Lyell: "Sorry I'm late, Mr. Broshar. I'll be here bright and early tomorrow."

Mr. Broshar: "Don't promise the impossible. Just be here early."

Heckle: "Who started the 40-hour week?"
Jeckle: "Robinson Crusoe. He had all his work done by Friday."

Barney: "Is it bad luck to have a cat follow you?"
Leslie: "That depends on whether you're a man or a mouse."

Everhart: "Jim, where is the Red Sea?"
Jim P.: "On the third line of my report card."

To avoid that run-down feeling, look both ways before crossing.

A man with $10,000,000 is no happier than a man with $9,000,000. Money doesn't always bring happiness.

Mike: "What is the easiest way to drive a nail without mashing your fingers?"

Lowell: "Put both hands on the hammer."

Jay: "Why did the little moron move into the city?"
Ray: "Why?"
Jay: "Because he heard the country was at war."

MONEY: It's the husband's job to make it first and the wife's job to make it last.

THE SENIOR CLASS OF 1952

Wishes to Thank All People Who Have Made

This Annual Possible.
